Mission Statement

Wellspring Family & Community Institute fosters a comprehensive counseling and human service delivery system that enhances the health, safety and quality of life for all patients seeking help. Our goal is to create an environment of community trust by empowering and strengthening individuals and families, advocating for sound policy, mobilizing resources, and acting as champions for those citizens who are the least, the last and the lost.

*Building Hope
Changing Lives
Strengthening Community*

Nondiscrimination Policy

Wellspring Family & Community Institute, LLC does not discriminate against any person on the basis of race, color, national origin, disability, or age in admission, treatment, or participation in its programs, services and activities, or in employment, or on the basis of sex in its health programs and activities.
